About the Forensic Science Academy

The La Puente Valley ROP (LPVROP) Forensic Science Academy (FSA) is dedicated to the education of students interested in the vast world of forensic science. The FSA was created in 2003 with the desire to provide affordable hands on training in forensic science and providing the highest quality of education the LPVROP and forensic science can offer.

The LPVROP recognizes the quality of instructor needed to teach the different fields of forensic science, instructors such as:

Diana Castro, Principal Forensic print examiner, LAPD; Marilyn Dunne Supervising Forensic Print Specialist, LAPD; Carlton Fuller Supervising Evidence Technician Riverside Police Department; Chief Craig Harvey LA County Coroner's Office; Superior Court Judge Margaret Bernal; DNA Specialist Teresa Armenta, City Of Hope; Forensic Specialist Dave Miranda, Pasadena PD; Greg Gossage Criminalist Long Beach PD; Monika Kimbrough Forensic Specialist, El Segundo PD.

The FSA consist of 10 Modules; Fingerprinting Pattern Identification, Dusting and Lifting, Forensic Photography, Basic Crime Scene Investigation, Report & Resume Writing, Death Investigation & the Coroner's Office, Advanced Crime Scene Investigation, Fingerprint Comparisons & Ridgeology, Advanced Technology in CSI, Gangs & Narcotics and Courtroom Testimony.

These classes instill in its students the determination, hard work and integrity needed to succeed in forensic science. The La Puente Valley ROP Forensic Science Academy will institute a professional level of knowledge skill and ability in those students preparing for a future in the field of forensic science.
